

International Rover Meeting 2024

June 6 – 9, 2024 – Olomouc – Czech Republic

For the second time in history, the Czech Republic has an honor to host the **International Rover Meeting**. We hope to continue in successful tradition and welcome lots of interesting classic British cars from all over Europe.

Registration: <https://tinyurl.com/rover2024en>

The meeting will take place **from Thursday, June 6 to Sunday, June 9 in Olomouc**, a beautiful historical city located right in the middle of Moravian region. The historic city center is well preserved and protected by law as urban monument reservation. Some parts are listed as a UNESCO World Heritage Site. Moreover, Olomouc is an important ecclesiastical metropolis for over a thousand years, and archbishop's city since the 18th century.

During the meeting, we will enjoy various cultural and technical attractions in the city and around, complemented by several competitions to check your knowledge and skills, or attractiveness of your cars at the *Concours d'Elegance*.

Meeting place

We have booked sufficient capacity in the 4-star hotel Flora located in quiet part of the city, right next to the city park and close to the historical city center. It is a modern building with comfortable double rooms and excellent cuisine, and provides sufficient outside parking for our cars.

Hotel address:

Central Park Hotel Flora
Krapkova 439/34, Olomouc

Meeting program

Thursday, June 6:

- Arrival and registration during afternoon and evening hours (approx. since 4pm).
- Each participant will receive a welcome package with all necessary instructions.
- Accommodation of participants in the hotel.

Friday, June 7:

- After the breakfast we will start the day with **guided walk tour around the historic city center** to see the most significant and valuable sights, and enjoy a beautiful view from the town hall tower.
- The tour will end in a picturesque restaurant in the park where will have a calm lunch and coffee. Right behind the restaurant there is a set of **historical greenhouses** built in 1920s where we can see various kinds of palms, cactuses, and other tropical and carnivorous plants.

- In the afternoon we will go for a round trip with a **historical tram** that will take us to the other side of the city to visit the Veteran Arena.
- **Veteran arena** is a museum with a unique collection of almost 100 elegant Czechoslovak cars and dozens of motorcycles from long-forgotten times. You will be amazed by the enormous diversity and advanced state of the Czechoslovak pre-war automobile industry, and discover fascinating mastery of our design engineers that has been known all over the world.
- In the museum we will stay till the evening, refreshments will be served in a stylish banquet full of great food and beverages including wine. Then we will have another ride with the historical tram back to our hotel.

Saturday, June 8:

- After the breakfast we will finally start our engines! And go for a ride to the town of Loštice (35 km) where they will show us how they make their original **Tvarůžky** (specific cheese made of curd) in a traditional way for centuries. Obviously, we will have chance to taste and buy numerous variants of their products.

- Then we will drive again (50 km) on curvy roads across the countryside to the village of Čechy pod Kosířem. When refreshed with a lunch and coffee, we will go for a guided tour in the **museum of historical horse carriages**. Optionally, you can visit the adjacent fire fighter museum with historical fire engines and sprinklers.

- In the meantime, several competitive tasks will be prepared to challenge your knowledge and skills, together with **Concours d'Elegance** where you can vote for the best cars of our meeting.
- After that, we will drive back to our hotel (25 km) where we will announce the winner awards and finish the day with a rich banquet and enjoy the rest of the evening.

Sunday, June 9:

- After the breakfast you can stay to experience more of the city and see more sights as we won't have chance to make it all during our program. Or you can take the opportunity to drive around and visit one of the other attractions in the region, like the ZOO or caves. Up to your choice!
