Seasons Opening Rally - Rientro a Grado

Dear club members,

We are very pleased to invite you to this year's spring trip of the ÖRC to Grado under the motto Rientro a Grado! Together we would like to spend a relaxed and enjoyable weekend with friends on the Upper Adriatic Sea and in order to achieve this, we have prepared a program with culture, culinary delights and an interesting ride along side roads.

Program

Individual arrival and check-in at the hotel of your choice.

April 24

We meet in good weather around 14:00 at the harbor for a small boat trip to the island of Barbana, where we want to stroll and visit the sanctuary Beata Vergine Maria. Afterwards we will return to Grado and from 6:30 p.m. we will enjoy the sunset with an aperitif at the yacht club, followed by dinner together.

April 25

On Saturday we start for a trip to the Adriatic Sea. Via Aquilea and Palazzolo we continue with a visit to the Abbazia di Summaga to Portogruaro, where we will spend some time. After visiting the old town of Portogruaro, we continue to the old town of Caorle, the city of colorful houses. We enjoy the flair of the old fishing village with espresso, gelato and the smell of the sea. Now we have to say goodbye to Caorle and drive back to Grado, because in the evening we end the day with a dinner together in the Ristorante Da Toni.

April 26

After an extensive breakfast, we will start the return journey together over the Predil Pass to Austria – weather permitting.

Since the hotel situation in Grado is unfortunately becoming more and more inflexible, and the hotels do not allow contingent reservations, we ask you to book the hotel of your choice on your own again. The following hotels are available:
