The board asks for numerous appearances in the sense of an active club life!

In the event that you are unable to attend the Annual General Meeting in person, we will hold the General Assembly in hybrid in combination with video conference. We will use Microsoft Teams as software. For all of you who have a Microsoft account, no preparations are necessary, but if you don't have one, it is recommended to register with Microsoft, you don't have to buy anything. The installation of the app is not necessary, you can participate in the video conference via the browser of your choice.

Of course, you can also transfer your voting rights to a person of your choice. Please notify [office@roverclub.at](mailto:office@roverclub.at) of this transfer of voting rights in writing **by February 21, 2026 at the latest.**

Required rooms individually with reference to ÖRC- Austrian Rover Club, please register independently, but no **later than January 18, 2026** in the :

book. Unfortunately, no room can be guaranteed for a later booking!

The following room types with special prices are pre-reserved for you:

Double room reveries € 308 per room  
Double room petting € 376 per room  
Family room € Liebkind 416 per room

For hotel guests, a 5-course menu with regional products is included in the room price, for all other participants the same menu with choice of menu is offered for € 60. Unfortunately, an a la carte meal is not offered, I tried to negotiate that.

Of course, the arrival can take place before or the departure the next day and the AGM can be combined with a wellness holiday in Styria. After the survey about the hotel type, we decided on this small and fine wellness hotel.

On behalf of the board of the ÖRC
